Dear Parents,

Coffs Harbour Race Day Gazetted Public Holiday.
Kororo Public School will be CLOSED from 12 noon this Thursday 6th August. NO buses will run at this time.

A huge thank you to the many, many parents who were able to join us for our Education Week Open Day last Wednesday. It was very rewarding to walk around so many classrooms to see parents actively engaged in conversations with their children about school and learning and their classroom. I had many parents comment very positively about the colourful displays and artwork in the rooms, and they certainly did look fabulous. One of things that really stood out for me were the great visual displays on element of The Leader in Me program. It occurred to me that many of our new families and families of younger students will not have been exposed specifically to the seven habits – and hence today’s newsletter information.

*The Leader in Me* is a whole school transformation process. It teaches 21st century leadership and life skills to students and creates a culture of student empowerment based on the idea that every child can be a leader.

We all look forward to enjoying this space and watching the 60 new trees and 80 Lomandra flourish.
