Dear Parents,

Partners in Learning parent survey is for parents and carers of school students. It is designed to clarify and strengthen the important relationship between parents/carers and school by gaining insights into parent/carer and staff communication, activities and practices at home, and parent/carer voice on school support of learning and behaviour. The survey results help to build an accurate and timely picture that schools can use for practical improvements. It complements the student and teacher surveys.

Parents and carers access the survey via this direct link: Please copy and paste directly into into your browser.  

It would be wonderful for as many parents as possible to take up the survey so that we have a broad range of feedback to guide school decision making and planning.

Many thanks,
Sue Mackay
Principal

DEPUTY’S REPORT

Champion Athletes
Congratulations to all the students who competed at the Mid North Coast Athletics Carnival last Friday. Everyone gave their very best on the day. Miss Shipman received many positive comments from other staff about Kororo’s sportsmanship and politeness. Well done to all the athletes. They are great ambassadors for our school.

Our junior and senior girl’s relay teams won by a large margin and all our competitors in track and field events did very well on the day. Twelve students will now travel to Lismore next Friday to compete at North Coast level in running, and high jump. We wish them all the best.

HABIT 3 - PUT FIRST THINGS FIRST

Hope to see you there.
